Teach Me How To Dance

Jls

I like your moves
Girl I gotta keep up
Cause you're the truth from the bottom and up
You keep it cool, but you're performance is hot, hot
Performance is hot, hot, hot!
Bridge:
If you want me to, I'll make a move
Should I play by the rules, or copy you
Pardon if I intrude or if I'm rude
I just wanna learn how you move!
Chorus:
Teach me how to dance, I'll follow your command
Teach me how to dance, da, da, da, dance!
So I could get a chance to be part of your plans
Teach me how to dance, da, da, da, dance!
Da, da, da, dance!
Yeah, yeah, yeah
Oh, da, da, da, dance
Yeah, yeah, yeah
Oh, da, da, da, dance
Yeah, yeah, yeah
Oh, da, da, da, dance
Yeah, yeah, yeah
dance!
Yeah, yeah, yeah
Girl, do your thing
And I will follow your lead!
You're going in
I got some tricks on my sleeve!
Let's break a spin
Out on the floor you and me!
The floor you and me
Bridge:
If you want me to, I'll make a move
Should I play by the rules, or copy you
