

Voscillate (roksonix Remix)

Flux Pavilion

Downtime, downtime

Rewind, rewind

Well, I

Just sing, no need to shout

A proclamation of the modern sound

Inspired by the world today

Just give yourself some room to move and voscillate

Voscillate, voscillate

Just give yourself some room to move and voscillate

I don't mean to stop this thing

I know I won't give up

Voscillate

I don't mean to stop this thing

I know I won't give up

Just mix it up

Voscillate, voscillate

Just sing, no need to shout

I know I won't give up

A proclamation of the modern sound

I know I won't give up

No need to shout

Just give yourself some room to move and voscillate

Downtime, downtime

Rewind, rewind

Well, I

Just sing, no need to shout

A proclamation of the modern sound

Inspired by the world today

Just give yourself some room to move and voscillate

Voscillate, voscillate

Just give yourself some room to move and voscillate

I don't mean to stop this thing

I know I won't give up

Voscillate

I don't mean to stop this thing

I know I won't give up

Just mix it up

Voscillate, voscillate

Just give yourself some room to move and voscillate
