Too Close (Ninski X Mickey Valen Remix)

Rainsford

Am I just wasting my time?
Two years and still uninspiredAm I awake
You say your feeling tired
I don't wanna fight it
If there's a flame we could put a light inWe're getting too close
I don't wanna let you in
I think it's time that
We let go
Before I break your heart againHere's a kiss and a rose
For everything that could've happened
Cuz baby we were getting too close
I don't wanna let you in
We're getting too closeI've watched you make all the plans
My ideas just make you mad
Didn't expect you to just wash my hand
I don't wanna fight it
If there's a flame we could put a light inWe're getting too close
I don't wanna let you in
I think it's time that
We let go
Before I break your heart againHere's a kiss and a rose
For everything that could've happened
Cuz baby we were getting too close
I don't wanna let you in
We're getting too closeWhere do we go
Where do we go from here
Where do we go
Where do we go from hereWe're getting too close
I don't wanna let you inWe're getting too close
I don't wanna let you in
I think it's time that we let go
Before I break your heart againGuess he was against my rules
Everything could've happenedWe're getting too close
I don't wanna let you in
We're getting too close
I don't wanna let you in
I think it's time that we let go
Before I break your heart againCuz baby we were getting too close
I don't wanna let you in

We're getting too closeWhere do we go
Where do we go from here
Where do we go
Where do we go from here
