Where Did I Go

Jorja Smith

Maybe this fate was overdue
Baby it's late and I'm confused
You showed me love that wasn't real
Can't teach yourself to be sincereWhere did I go?
When did the sun rise?
How did I fall?
Go lost in the moonlight
Where did I go?
When did I realize
My love was on hold?
So now this is goodbye
Good, goodbye
Goodbye
Good, goodbyeGoodbyeThis time my questions lay with you
Cause each time inside I play the fool
Silly boy, where did that man go?
The one that hurt my soul
Now little man, I left you on your ownWith the whispers on your phone
I've been askin' all along
Where did I go?
When did the sun rise?
How did I fall?
Got lost in the moonlight
Where did I go?
When did I realize
My love was on hold?
So now this is goodbye
Good, goodbye
Goodbye
Good, goodbye
Goodbye
Good, goodbye
Goodbye
Good, goodbye
Goodbye
Where did I go?
When did the sun rise?
How did I fall?
Cause I see the moonlight

Where did I go?
When did I realize
My love was on hold?
So now this is goodbye
Good, goodbye
