

# King Darius Suite

## Veggie Tales

King Darius: I am King Darius  
I've had a dream  
And now I'm feeling rather frightened  
And I wish someone would tell me what it means.  
Wiseman #1: We are your wisemen  
Yes, that is true  
And though we're using all our wisdom  
We're afraid we can't explain your dream to you.  
King Darius: What!?  
Wiseman #2: But there is one who is wiser still  
And Daniel is his name  
So before you take another sleeping pill  
Perhaps he can explain.  
Daniel: My name is Daniel  
That much is true  
But it is God who gives me wisdom  
And through me He will explain your dreams to you.  
Maid: His name is Daniel  
That's what he said  
But when he talks about this God of his  
I think he's kind of loony in the head. (I do.)  
Narrator: Well, Daniel was able to explain the king's dream. And this  
Made the king very happy.  
King Darius: Daniel, you have enlightened me  
Your job I will expand  
From now on I want you to sit right beside me  
As the second in command!
