Fine Line

Jorja Smith

[Verse 1]
Wait, my train won't leave for a minute
No connection delays my departure from you
Hesitating, come fall at the doors if you feel it
'Cause we're running out of time, there's fine lines to be drawn[Pre-Chorus 1]
I see you smiling as you're talking on the phone
Hiding your messages, but I already know that
I'm not a part of your game[Chorus]
It ain't right what you're doing to me
It ain't right, you're confusing me
Which side of the fine lines do you want me?
It ain't right what you're doing to me
Can't you see you're confusing me?
Which side of the fine line's for you and me?
[Verse 2]
Calling coins will go, but you are still on my mind
Validate your intentions, you won't be fine
On the other hand, you're charging world
Maybe you'll move in single file
'Cause I'm losing my mind, there's fine lines to be drawn[Pre-Chorus 2]
And I believed me when I said that I would row
Snakes on the ladders, so I guess it's down we go
I've had enough of your games[Chorus]
It ain't right what you're doing to me
It ain't right, you're confusing me
Which side of the fine lines do you want me?
It ain't right what you're doing to me
Can't you see you're confusing me?
Which side of the fine line's for you and me?
[Bridge]
The doors are closing, so is this our last goodbye?
Final curtain call before the whistle blows
Tells us why I've got to leave, I've got to go
I don't want to leave, don't want to go
But it's true 'cause we both know[Chorus]
It ain't right what you're doing to me
It ain't right, you're confusing me
Which side of the fine lines do you want me?
It ain't right what you're doing to me

Can't you see you're confusing me?
Which side of the fine line's for you and me?
It ain't right what you're doing to me
It ain't right, you're confusing me
Which side of the fine lines do you want me?[Outro]
It ain't right, now you can see
Which side of the fine line's for you and me?
