## Keyshia Cole

Yeah, superstar  
Superstar  
Talk to me, baby  
(One, two, three, four)Rollin' wit' my windows dropped  
Wind blowin' around six 'o clock  
Then this feelin' came over me  
Had to find myself a pretty young lady  
(One, two, three, four)So I took a left on the next block  
Saw this shorty so I had to stop  
Girl was lookin' as fine as can be, yeah  
I said, "Do you wanna ride with me"  
(One, two, three, four)Your car is lookin' real smooth  
And you lookin' kinda cute too  
But boy, I don't even know you  
What the hell you think we goin' toGirlfriend had a little spark  
So I parked the car and just walked  
I don't mean to disrespect love  
Just tryin' to see what you made of  
(One, two, three, four)Superstar, face from a movie screen  
(Oh, girl)  
Superstar, like the cover of a magazine  
No matter what you do  
(No matter what you do)  
You'll always be my superstar  
(You'll be my boo)Superstar, baby  
I'm your number one fan by far  
(One, two, three, four)  
SuperstarBaby boy, listen to me now  
It's time you let me break it down  
I just reminisced on how we met  
And this is somethin' I'll never forgetFrom the moment your lips said, "Hi"  
It's like I pictured your name in lights  
I brought tickets to all your shows  
And I'm gon' be there sittin' in the front row, in front row, yeah  
(One, two, three, four)Superstar, face from a movie screen  
(Superstar, yeah)  
Superstar, like the cover of a magazine  
(Like the cover of a magazine)  
No matter what you do

(No matter what you do)  
You'll always be my superstar  
(You'll always be my superstar)Superstar, baby  
(Superstar)  
I'm your number one fan by far  
(I'm your number one fan by far)  
SuperstarNo sirey  
(No sirey)  
Don't you worry about a thing  
(Don't you worry about a thing)  
I got you feelin' sexy  
(Feelin' sexy)  
I want you to know  
You'll always be my  
(One, two, three, four)Superstar, face from a movie screen  
(Girl, I'm gonna love you, girl)  
Superstar, like the cover of a magazine  
(You said, "I'm yours")  
(I'll be wit you, baby)  
No matter what you do  
(No matter what you do)  
You'll always be my superstar  
(You'll always be my superstar)Superstar, baby  
(I love you now)  
I'm your number one fan by far  
(I love you now)  
SuperstarSuperstar, face from a movie screen  
(It's so funny how we met [Incomprehensible])  
(I'm right here wit you, baby)  
Superstar, like the cover of a magazine  
(You can have me, I'm yours)  
No matter what you do  
(No matter what you do)  
You'll always be my superstar  
(I love you, baby)  
(You'll always be my superstar)Superstar, baby  
(I [Incomprehensible])  
I'm your number one fan by far  
Superstar  
By far, by far
