

Tearin' It Up(LarryLevan Mix)

Chaka Khan

Verse 1:

I'm gonna make you love
If it's the last thing I do
I'm gonna make you with
That there were two of youBridge 1:
I think you're gonna need help
'cause I've been saving my love
For nobody but you
I'll make you melt
Like the snow in the summer
'cause you're blowin' my mind
I know it's gonna be all better
When you touch me (oh, oh, give it to me baby)
Love can't wait, you'll never get awayChorus:

Tearin' it up, tearin' it up
You were tearin' it up
Tearin' it up, tearin' it up
You were tearin' it upVerse 1Bridge 2:

Sittin' here checkin' you out
I know your moves
And all your grooves
And there's no doubt
That you give off a love vibe
That's all the way live
It's a woman's prerogative to change her mind
Hurry up, please stop wastin' time
Just give up, you'll never get awayChaka: I'm gonna make you love me
Male: girl, I'm gonna make you love me too
Chaka: I'm gonna make you love me, boyChorusI know you can make it,
Keep holdin' on because times is hard

It feels so good
To get close to you, can't give it up
Let me satisfy your life's desires
I wanna take you there
Opportunity knocks with passion and emotionMale: I'm gonna make you love me
Chaka: ooh, say it again and again and again and again
Male: I'm gonna make you love me if it's the last thing I do

Chaka: I'm gonna make you wish that there were two of youGonna make you love me, babe, gonna make you
love me (7x)

Gonna make you love me, babe, again and again and a-
Gonna make you love me, babe, gonna make you love me
Gonna make you love me, babe, again and again and a-
