

# I Feel Lucky

## Mary Chapin Carpenter

Well, I woke up this morning, stumbled out of my rack  
I opened up the paper to the page in the back  
It only took a minute for my finger to find  
    My daily dose of destiny under my sign  
    My eyes just about popped out of my head  
It said, "The stars are stacked against you girl, get back in bed"  
    I feel lucky, I feel lucky, yeah  
    No Professor Doom gonna stand in my way  
        Mmm, I feel lucky today  
Well, I strolled down to the corner, gave my numbers to the clerk  
    The pot's eleven million so I called in sick to work  
    I bought a pack of Camels, a burrito and a Barq's  
    Crossed against the light, made a beeline for the park  
        The sky began to thunder, wind began to moan  
I heard a voice above me saying, "Girl, you better get back home"  
    But I feel lucky, oh, oh, oh, I feel lucky, yeah  
    No tropical depression gonna steal my sun away  
        Mmm, I feel lucky today  
    Now eleven million later, I was sitting at the bar  
I'd bought the house a double and the waitress a new car  
    Dwight Yoakam's in the corner trying to catch my eye  
    Lyle Lovett's right beside me with his hand upon my thigh  
        The moral of this story, it's simple but it's true  
        Hey the stars might lie but the numbers never do  
        I feel lucky, oh, oh, oh, I feel lucky, yeah  
Hey Dwight, hey Lyle, boys, you don't have to fight  
    Hot dog, I'm feeling lucky tonight  
    I feel lucky, brr, I feel lucky, yeah  
    Think I'll flip a coin, I'm a winner either way  
        Mmm, I feel lucky today
