

# Sweetness and Tenderness

## The Rentals

I need to figure this out  
And find where my place is  
I don't mean to threaten anyone  
No need to get so defensive  
You say you're with me,  
I know you don't care  
You say you're with me,  
I know you don't care  
I guess it's real simple  
It's just like when Gary Numan said  
You're just a view  
A cold and distant  
You are just business  
You're worthless  
You're worthless  
You say you're with me,  
I know you don't care  
I know you don't care  
Sweetness  
Oh, sweetness  
I need some tenderness  
Tenderness  
You know it's just like Judas say  
I've been your right hand man all along  
My admiration for you hasn't died  
I haven't forgotten how put down we are  
I haven't forgotten how put down we are  
You say you're with me,  
I know you don't care  
I know you don't care  
Sweetness  
Oh, sweetness  
I need some tenderness  
Tenderness  
Come away with me  
Come away with me  
Sweetness  
Come away with me  
We can hide in peace

And we can finally rest  
This melody's wrong,  
And I do care  
This melody's wrong,  
Yes I care
