

Freeway

Tucker Zimmerman

You got a lot of money, but you can't afford the freeway
The road to Orange County leaves an awful lot of leeway
Where everyone's a doctor or a specialist in retail
They'll sell you all the speed you want if you can take the blackmail

You know it

I know it

Why don't you

Just show it?

You got a lot of money, but you can't afford the freeway
You got a lot of money, but you can't afford the freeway
You got a lot of money, but you cannot keep your bills paid
The sacrifice is worth it just to hang around the arcade
You found yourself a prophet, but you left him on the boardwalk
Another chocolate Easter bunny, hollowed out by your talk

You know it

I know it

Why don't you

Just show it?

You got a lot of money, but you can't afford the freeway
You got a lot of money, but you can't afford the freeway

And everything I do is wrong

But at least I'm hanging on

You got a lot of money, but you can't afford

You got a lot of money, but you can't afford

You got a lot of money, but you can't afford the freeway

You got a lot of money, but you can't afford the freeway

You got a lot of money, but you

Can't afford

You got a lot of money, but you

Can't afford
