Flying Horses (Live 2001)

Dispatch

The river of doubt gave birth to a, a beautiful stone
And in my hands I held it and I knew I was on my own
So I picked it up and I held it to the sky
And in my reflection I knew I was all aloneThen I saw this girl with the most beautiful hair
She had it wrapped around her, for clothes she did not wear
I asked her for a lock and she complied after leaving
Gorgeous footsteps in the sand as if she didn't careWell, she was the prettiest girl I ever saw
And the stone lay still without a flaw
The feelings I had defied the law
As I came to and I went toAnd I took a look, a look down the road
To see a badger and a one eyed toad
They didn't say a word, they just looked at me
With that wise old look of the old, the wise old look of the oldThen I went down to town
To my favorite merry-go-round
To the place where magic horses fly
And you seldom see a frownBut then I stole a ring from the flying horses
And I can't begin to explain how
I stole a ring from the flying horses
And it's all rusty nowI stole a ring from the flying horses
And I can't begin to explain how
I stole a ring from the flying horses
And it's all rusty now, it's all rustyYou see 'cause that stone fell through my pocket
And that lock of hair flew away with the wind
If you chance to meet upon either
Well, you know where they've beenBut don't pick them up or try to find me
They're much happier to be on their own
Beauty like that knows no homeAnd then if you take a look, a look down the road
You'll see a badger and a one eyed toad
They won't say a word, they'll just look at you
With that wise old look of the old, the wise old look of the oldBut then I stole a ring from the flying horses
And I can't begin to explain how
I stole a ring from the flying horses
And it's all rusty nowI stole a ring from the flying horses
And I can't begin to explain how
I stole a ring from the flying horses
And it's all rusty now
...
