

Drunk Skitzo

Fishbone

M-m-m-m-my dad's a drunk
My my mom is a skitzo
My dad's a drunk
And my my mom is a skitzo
My dad's a drunk...
My mom is a skitzo...
I am a drunk and I am a skitzoMy son's a punk
My daughter's a lezbo
My unc's a drunk
I can't make my mind upWhy don't it just fade away
F-f-f-fade away...
T-t-t-tah turn the pageMy bro's my fo
My nice is a morfo
My wife's a freak
My husband's a psycho
My sister's a whore
I can't take it no more
I got bad luck
But wait there's moreMy aunt's a bitch...
My 'causez is a fuckup.....c-c-ah c'mon
Why can't they justStraighten up
Sssssah straighten up...All because my mom's a drunk
My dad is a skitzo
My dad's a drunk
My mom is a skitzo
My dad's a drunk
And I am a skitzoMy grandma's cool
Grampa's already gone
My grandma's cool
Grampa's already free
Grandma flips in and out of reality
My grampa's free, no reality
My breath flips in and out of reality
Grandma's free, no reality
My life flips in and out of reality
Why did he have, why did she have
To die ?Am I going crazy, or is it the world around me ?
