

Go Now

Wings - 1976

Here's your moon
Here's your stars
 Go now
 Go now
Here's the sun
Here's the birds
Here's you are
 Go now
 Go now
Got a stellar reputation
As the star that never fell
As the train that left the station
As the secret that no one could ever tell
 Here's the lamp
 Here's the landing
We might never understand it
 Go now
 Go now

Here's the trees red and gold
 Here's the snow
 Here we go now
 Let's go now
I was waiting for the leap year
And got caught out in the rain
 Singing like a sparrow
Always planning my narrow escape
Here's the morning shining on us
 Here's the twilight upon us
 Here's the moon
 Here's the stars
 Here I am
 Here you are
 Let's go now
