

# Journey

## Jah Cure

Yuh ready?  
Woah yeah  
It nuh connect  
A could a wah mek  
Hey  
Like dog to vomit  
Moving so chronic  
From morning me sew me seed and all now dem caan ketch  
Caan ketch  
Trying hard to make ends meet  
Can't mesh

Journey  
It's how you live it you learn it  
You bridges behind don't burn it  
Mi wish mi can live and learn it  
The Journey  
It's how you live it you learn it  
Your bridges behind don't burn it  
Respect you live and earn it  
Yeah

It's not a journey to get weak  
Journey to give in  
It's all about the journey  
The journey within  
The journey within  
I'm coming from a far  
Still have far to go  
The journeys just begun  
I'm like a shooting star  
And that's where we can go  
We've got a lot to overcome  
And some battles to be won  
Hey I

Journey  
From you live it you learn it  
Respect you live and earn it

Bridges behind don't burn it  
The journey I  
From you live it you learn it I  
Bridges behind don't burn it  
Respect you live and earn it

Long time it puzzle dem mind  
Wondering how we do it  
If you blind you nah go see it  
We coming from a far  
Ah we and dem used to par  
But dem never strong  
Couldn't trod along  
Yeah  
In dis ya journey  
In dis ya journey  
Yeah

The journey I  
From you live it you learn it  
Bridges behind don't burn it  
U respect you live and earn it  
The Journey  
The Journey

From morning me sew me seed and all now dem caan ketch  
Caan ketch  
Trying hard to make ends meet  
Can't mesh  
Hey  
Journey  
You live it you learn it  
The bridges behind don't burn it  
Your respect you live and earn it  
The Journey  
The Journey  
It's not a journey to get weak  
Journey to give in  
It's all about the journey  
The journey within  
The journey with
