Ugly

Fishbone

Boy you've got no reason and you've got no sense
Your stupid lies, it just makes me wince
Your face is twisted and your mind is warped
You scare me sick 'cause I just want to get out
All the children's suffering lies in your hands
Unless the commies are gonna heed your demands
Your mind is twisted and your flesh is warm
You scare me sick 'cause I just want to get out
U G L Y you ain't got no alibi, you're just ugly
U G L Y you ain't got no alibi, you're just ugly
U G L Y you ain't got no alibi, you're just ugly
U G L Y you ain't got no alibi, you're just ug, ugly ugly
Boy you've got no feelings and you've got no friends
You're just a monkey that the masses defend
Your mind is twisted and your brain is raped
You scare me sick 'cause I just have to escape
Boy you've got no method to control us all
For the mentalities are not that small
And now you're thinkin' that you have won
But the revolution has just begun!
U G L Y you ain't got no alibi, you're just ugly
Cross my heart, hope to die, stick a needle in my eye, you're just ugly
U G L Y you ain't got no alibi, you're just ugly
U G L Y you ain't got no alibi, you're just ug, ugly ugly
U G L Y you ain't got no alibi, you're just ugly
U G L Y you ain't got no alibi, you're just ugly
U G L Y you ain't got no alibi, you're just ugly
U G L Y you ain't got no alibi, you're just ug, ugly ugly
