

Angels

Flight of the Conchords

There are angels in the clouds doin' it
There are angels doin' it, doin' it, doin' it
Doin' it, doin' it, doin' it, doin' it in the clouds
Behind the shroud of the clouds, foolin' 'round
In the clouds as they're lying
Feathers flyin', angels sighin' There are angels
Well, there are angels going down up there
Oh angels, getting jiggy with it
Nobody knows what goes on under those robes
Pushin' and puffin' and huffin' and heavin' in heaven Pushin' and puffin' and huffin' and heavin' in
Pushin' and puffin' and huffin' and heavin' in
Pushin' and puffin' and huffin' and heavin' in heaven
Up there they're playin' the lovin' game
Makin' rain, turnin' white clouds gray Doin' it, doin' it
Doin' it, doin' it, doin' it, doin' it, doin' it, doin' it
Doin' it
