

# Serious (Not So Serious)

[Richard Hawley](#)

When you are in love  
Ah, you feel the stars above  
There's no devil in her eyes  
There's no darkness in disguise But when you are alone  
A kiss can turn your heart to stone  
Hearts breaking in the night  
There's a devil in her eyes Oh, it's serious, so serious  
A kiss that caught the wind made you delirious  
Oh, it's serious, so serious  
Take her in your arms, don't be afraid  
Never be afraid When you are in love  
All the stars burn bright above  
There's a kindness in her eyes  
There's no darkness in disguise Oh, but when you are alone  
Oh, your heart it turns to stone  
Hearts breaking in the night  
There's a devil in her eyes Oh, it's serious, so serious  
A kiss that caught the wind made you delirious  
Oh, it's serious, so serious  
Take her in your arms, don't be afraid  
Never be afraid Oh, it's serious, so serious  
A kiss that caught the wind made you delirious  
Oh, it's serious, so serious  
So take her in your arms, don't be afraid  
Never be afraid
