You and Me

Lifehouse

What day is it? And in what month? This clock never seemed so alive I can't keep up and I can't back down I've been losing so much timeCause it's you and me and all of the people

With nothing to do, nothing to lose

And it's you and me and all of the people

And I don't know why I can't keep my eyes off of youAll of the things that I want to say Just aren't coming out right

I'm tripping on words, you got my head spinning

I don't know where to go from hereCause it's you and me and all of the people

With nothing to do, nothing to prove

And it's you and me and all of the people

And I don't know why I can't keep my eyes off of youSomething about you now

I can't quite figure out

Everything she does is beautiful

Everything she does is rightCause it's you and me and all of the people

With nothing to do, nothing to lose

And it's you and me and all of the people

And I don't know why I can't keep my eyes off of You and me and all of the people

With nothing to do and nothing to prove

And it's you and me and all of the people

And I don't know why I can't keep my eyes off of youWhat day is it? And in what month?

This clock never seemed so alive
