Low

Cracker

Sometimes I wanna take you down
Sometimes I wanna get you low
Brush your hair back from your eyes
Take you down let the river flowSometimes I go and walk the street
Behind the green sheet of glass
A million miles below their feet
A million miles, a million milesI'll be with you girl, like being low
Hey, hey, hey like being stoned
I'll be with you girl, like being low
Hey, hey, hey like being stonedA million poppies gonna make me sleep
Just one rose that knows your name
The fruit is rusting on the vine
The fruit is calling from the treesHey don't you wanna go down?
Like some junkie cosmonaut
A million miles below their feet
A million miles, a million milesI'll be with you girl, like being low
Hey, hey, hey like being stoned
I'll be with you girl, like being low
Hey, hey, hey like being stonedBlue, blue is the sun
Brown, brown is the sky
Green, green were her eyes
A million miles, a million milesHey, don't you wanna go down?
Like some disgraced cosmonaut
A million miles below their feet
A million miles, a million milesI'll be with you girl, like being low
Hey, hey, hey like being stoned
I'll be with you girl, like being low
Hey, hey, hey like being stonedI'll be with you girl, like being low
Hey, hey, hey like being stoned
I'll be with you girl, like being low
Hey, hey, hey like being stoned
