

Never Say Never

Mr. Big

I wanna know was it love or money
Come clean tell the truth about what you've done
Why did you give your heart to another man?
Girl, I believed you were the one I shoulda known I'd be caught in the middle
No way out, no alibis
I've tried my best but I don't understand
What's so good about long goodbyes, yeah Never say never 'cause now we're together
We'll keep holdin' on till the end, yeah
One look in your eyes and I knew, I'd decided
To never say never again, never again Gonna win one way or another
No holds barred, it's just a matter of time
Second time around I've got it covered
I'm ready if you wanna give me one more try, yeah Never say never 'cause I still remember
How we thought that lover never ends, yeah
Through good times and bad times, it's always a fine line
I'll never say never again So far so good
You showed me how love is misunderstood
Whatever it takes
I've made some mistakes but never again Never say never 'cause now we're together
We'll keep holdin' on till the end, yeah
One look in your eyes and I knew I'd decided
To never say never again, yeah
