

# Sometimes It Takes A Mountain

## Ernie Dawson & Heirline

Sometimes it takes a mountain

Sometimes I find it hard to make it through the day  
There are times I just donâ€™t understand how Iâ€™ll ever find my way  
But as strong as the storm that took me to my knees  
I understand and see  
That sometimes it takes a mountain for us to just believe

Chorus

So I anchor near the cross tonight  
So I can just be near Him  
And I donâ€™t stray too far from the banks of the river  
I hold near to my friend  
For when life comes and shake this worthless vessel  
And I can barely see  
That sometimes it takes a mountain for us to just believe.

Did you ever think youâ€™d find yourself out among the thorns  
The path that youâ€™ve taken is all so grown up  
And you canâ€™t find your way home  
But in any valley or amongst any desert  
You just stand and receive  
For the blood can carry you over the mountain  
When you ask and believe

Chorus

Yes, sometimes it takes a mountain for us to just believe  
I believe.
