Falling In Love (Chris Alarcon Remix)

Strange Talk

Take to the sky, we can say goodbye
The solitude can see me fly
A feeling ignites, it's burning up inside
It must be a signAs my heart beats with excitement
I see the lightning from the clouds
All the colours make me wonder
I think I'm falling, falling
I think I'm falling in loveI think I'm falling in love
Falling in love
I think I'm falling in love
Falling in loveNowhere to hide and no place to go
Free my hands and take control
A victim inside and I just can't escape
From this paradiseAs my heart beats with excitement
I see the lightning from the clouds
All the colours make me wonder
I think I'm falling, falling
I think I'm falling in loveI think I'm falling in love
Falling in love
I think I'm falling in love
Falling in loveFa... falling in love
Fa... falling in love
Fa... falling in love
Fa... falling in loveI think I'm falling in love
Falling in love
I think I'm falling in love
Falling in love
