

# One Word (Live At Gelredome)

Anouk

I close my eyes  
And imagine you're here  
Did it all seem so hopeless  
Given the chance  
I would ask  
Forgive me  
I didn't do a thing to make you stay  
I didn't say a word to make you stay If I would have known  
Could I have tried to make it easier  
But I didn't do a thing  
Or say a word  
One word And I don't know why you're gone, now you're gone  
No beautiful goodbye  
You will never leave my mind  
And it turns out to be so much different than our dreams  
Now you're, you're a star in heaven My thoughts unsaid  
Stuck in my head  
And it all feels so useless  
Never forget to give all I have  
Forgive me  
I couldn't do a thing to make you stay  
And I couldn't say a word to make you stay If I would have known  
Could I have tried to make it easier  
But I couldn't do a thing  
Or say a word  
One word And I don't know why you're gone, now you're gone  
No beautiful goodbye  
You will never leave my mind  
And it turns out to be so much different than our dreams  
Now you're, you're a star in heaven
