

# What Is and What Should Never Be

## Train

And if I say to you tomorrow  
Take my hand, child, come with me  
It's to a castle I will take you  
Where what's to be, they say will be  
Catch the wind, see us spin, sail away, leave today, way up high in the sky  
But the wind won't blow, you really shouldn't go, it only goes to show  
That you will be mine, by takin' our time  
And if you say to me tomorrow  
Oh what fun it all would be  
Then what's to stop us, pretty baby  
But what is and what should never be  
Catch the wind, see us spin, sail away, leave today, way up high in the sky  
But the wind won't blow, you really shouldn't go, it only goes to show  
That you will be mine, by takin' our time  
So if you wake up with the sunrise  
And all your dreams are still as new  
And happiness is what you need so bad  
Girl, the answer lies with you  
Catch the wind, see us spin, sail away, leave today, way up high in the sky  
But the wind won't blow, you really shouldn't go, it only goes to show  
That you will be mine, by takin' our time  
Oh the wind won't blow and we really shouldn't go and it only goes to  
show  
Catch the wind, we're gonna see it spin, we're gonna sail, leave today  
Do do do, bop bop a do-oh, my my my my my my yeah  
Everybody I know seems to know me well  
But they're never gonna know that I move like hell  
Baby, baby, baby, baby, baby, baby, oh lord  
Baby, baby, babe, huh, oh
