

# What Goes Around.../...Comes Around Interlude

## Justin Timberlake

Hey girl is he everything you wanted in a man?  
You know I gave you the world, you had me in the palm of your hand  
So why your love went away, I just can't seem to understand  
Thought it was me and you baby, me and you until the end  
But I guess I was wrong Don't want to think about it, don't want to talk about it  
I'm just so sick about it, can't believe it's ending this way  
Just so confused about it, feeling the blues about it  
I just can't do without ya, tell me, is this fair? Is this the way it's really going down?  
Is this how we say goodbye?  
Should've known better when you came around  
That you were gonna make me cry  
It's breaking my heart to watch you run around  
'Cause I know that you're living a lie  
But that's okay baby 'cause in time you will find What goes around, goes around, goes around  
Comes all the way back around  
What goes around, goes around, goes around  
Comes all the way back around  
What goes around, goes around, goes around  
Comes all the way back around  
What goes around, goes around, goes around  
Comes all the way back around  
Now girl, I remember everything that you claimed  
You said that you were moving on now and maybe I should do the same  
The funny thing about that is I was ready to give you my name  
Thought it was me and you, baby, and now it's all just a shame  
And I guess I was wrong Don't want to think about it, don't want to talk about it  
I'm just so sick about it, can't believe it's ending this way  
Just so confused about it, feeling the blues about it  
I just can't do without ya, can you tell me, is this fair? Is this the way things are going down?  
Is this how we say goodbye?  
Should've known better when you came around  
Should've known better that you were gonna make me cry  
And now it's breaking my heart to watch you run around  
'Cause I know that you're living a lie  
But that's okay baby 'cause in time you will find What goes around, goes around, goes around  
Comes all the way back around  
What goes around, goes around, goes around  
Comes all the way back around  
What goes around, goes around, goes around  
Comes all the way back around

What goes around, goes around, goes around  
Comes all the way back aroundWhat goes around comes around  
What goes around comes around  
You should know that  
What goes around comes around  
What goes around comes around  
You should know thatDon't want to think about it, don't want to talk about it  
I'm just so sick about it, can't believe it's ending this way  
Just so confused about it, feeling the blues about it  
I just can't do without ya, tell me, is this fair?Is this the way things are going down?  
Is this how we say goodbye?  
Should've known better when you came around  
Should've known better that you were gonna make me cry  
It's breaking my heart to watch you run around  
'Cause I know that you're living a lie  
But that's okay baby 'cause in time you will findWhat goes around, goes around, goes around  
Comes all the way back around  
What goes around, goes around, goes around  
Comes all the way back around  
What goes around, goes around, goes around  
Comes all the way back around  
What goes around, goes around, goes around  
Comes all the way back around  
Let me paint this picture for you, babyYou spend your nights alone and he never  
comes home  
And every time you call him all you get's a busy tone  
I heard you found out that he's doing to you  
What you did to me, ain't that the way it goes?When you cheated girl, my heart bled girl  
So it goes without saying that you left me feeling hurt  
Just a classic case, s-s-scenario  
Tale as old as time, girl you got what you deservedAnd now you want somebody to cure the lonely nights  
You wish you had somebody that could come and make it right  
But girl I ain't somebody with a lot of sympathy  
You'll seeWhat goes around comes back around  
I thought I told ya, hey  
What goes around comes back around  
I thought I told ya, hey  
What goes around comes back around  
I thought I told ya, hey  
What goes around comes back around  
I thought I told ya, heySee? You should've listened to me, baby  
Because what goes around comes back around
