Lone Star Girl

Primal Scream

Wendy, Wendy, you move me
Wendy, Wendy, you move me
You are precious, your soul's not up for auction
Oh, Wendy, oh, WendyYou're way beyond the ways of violence
Nothing can look through you
You fill me with good feelings
You kiss away my violenceWendy, Wendy, oh, Wendy, oh, Wendy
Wendy, Wendy, oh, Wendy, oh, Wendy
Wendy, oh, WendyHey, Wendy, you move me
Hey, Wendy, you move me
You are precious, your soul's not up for auction
Oh, Wendy, oh, WendyProtest songs won't stop the bombs
Nor soft rebellion neither
You fill me with good feelings
You kiss away my violenceWendy, Wendy, you move me
Wendy, Wendy, you move me
You are precious, your soul's not up for auction
Oh, Wendy, oh, WendyYou fill me with good feelings
You kiss away my violence
Wendy, Wendy, hey, I adore you
Wendy, Wendy, hey, I adore youHey, hey, Wendy, Wendy, Wendy
Hey, hey, Wendy, Wendy, Wendy
Hey, hey, Wendy, Wendy, Wendy
Hey, hey, Wendy, Wendy, WendyHey, hey, Wendy, Wendy, Wendy
Hey, hey, Wendy, Wendy, Wendy
Hey, hey, Wendy, Wendy, Wendy
