Silly

Stacye Branche'

What was I thinking
To send you away
I was just being silly
Not to let you stay.
In the night I feel so lonely
baby, thinking of you
I need to get you back
I wish I knew just what to do

All day and night
I wish that I could hold you tight.
I want to put aside my pride and love you so right

Chorus
Silly of me
to be thinking of you
Silly of me
To think you still want me
Silly of me
Youâ€™d come back to me

How I wish I hadn't seen away
I dream about you every night and day
Can you forgive me for the mistake I made?
I don't know what I was thinking
I should've known I'd be missinâ€™ you
All alone wishinâ€™ now is that you feel the same

All day and night
I'm wishing you were back in my life
I wish I knew how I could make
what I made wrong all right
