Ready to Die

Argumentix

This is your time to pay
This is your judgment day
We made a sacrifice
And now we get to take your life
We shoot without a gun
We'll take on anyone
It's really nothing new
It's just a thing we like to do
You better get ready to die
(Get ready to die)
You better get ready to kill
(Get ready to kill)
You better get ready to run
'Cause here we come
You better get ready to die
(Die)
Your know life is over now
Your life is running out
When your time is at an end
Then it's time to kill again
We cut without a knife
We live in black and white
You're just a parasite
Now close your eyes and say good-night
You better get ready to die
(Get ready to die)
You better get ready to kill
(Get ready to kill)
You better get ready to run
'Cause here we come
You better get ready to die
(Die)
You better get ready to die
(Get ready to die, get ready to die, get ready to die)
You better get ready to die
(Get ready to die, get ready to die, get ready to die)
You better get ready to die
(Get ready to die, get ready to die)
[Incomprehensible][Incomprehensible]You better get ready to die
