

Love Confusion

[Kat Deluna](#)

Don't know how we got this far
So attached now and this gets me
Like a thief you stole my heart
And I've fallen in love so unfairly
Boy, I hate that my
World revolves around you
And I hate my heart
'Cause it hurts without you
Why, why am I so lost in you?
And I don't even know me anymore
Why, I don't know why I'm so confused
'Cause I'm hating that I love you this much, boy
Confused, I'm confused, I'm confused
You gave me goosebumps every time
My heart skips a beat when you touch me, I'm so mesmerized
Who told you, you could be mine?
I'm mad at you for this nice surprise
Boy, I hate that my
World revolves around you
And I hate my heart
'Cause it hurts without you
Why, why am I so lost in you?
And I don't even know me anymore
Why, I don't know why I'm so confused
'Cause I'm hating that I love you this much, boy
You see I love you, then I hate you
And I hate you because I love you
And I need you, then I don't need you
I don't know just what to do
I think I hate you, yes, I hate you
Wait, I love you, I love you
I'm really so confused
I love you, yes, I do
Why, why am I so lost in you?
And I don't even know me anymore
Why, I don't know why I'm so confused
'Cause I'm hating that I love you this much, boy
Why, why am I so lost in you?
And I don't even know me anymore

Why, I don't know why I'm so confused
'Cause I'm hating that I love you this much, boy
Why, why am I so lost in you?
And I don't even know me anymore
Why, I don't know why I'm so confused
'Cause I'm hating that I love you this much, boy
Confused, I'm confused, I'm confused
Confused, I'm confused, I'm confused
Confused, I'm confused, I'm confused
