

# Boy Is Crying (Hybrid Vocal Remix)

## Saint Etienne

Boy is it coming to me  
Lotta bodies I don't know  
Hoped I could get some sleepin'  
Hope that they will go That boy is crying  
Forget about the lying  
He's not singing  
'Cause his ears are ringing I've gotta hit the sheets again  
Gotta catch an hour before I go  
Down to the streets beneath me  
Out into the crowd below  
Take me to the outer reaches  
Rock me to and fro This boy is crying  
Fed up with the lying  
I'm not singing  
'Cause my eyes are stinging
