Completely

Diamond Rio

Completely, wanna give my love completely
Id rather be alone than be in love just half the way
I want to find someone that I can trustCompletely, wanna give my heart completely
To someone wholl completely give their heart to only me
And when I find that one, thats when Ill fall in loveCompletely
Not half but whole with heart and soul
Completely
Not in between but everything
Completely
Thats the way its gotta be
The way I want someone to fall in love with meForever wanna feel the word forever
And know therell be somebody there forever by my side
And when that feeling comes thats when Ill give my loveCompletely
Not half but whole with heart and soul
Completely
Not in between but everything
Completely
Thats the way its gotta be
The way I want someone to fall in love with meIt's all or nothing at all for this heart of mine
And I won't give up this heart till the day I find
Someone who needs meCompletely
Not half but whole with heart and soul
Completely
Not in between but everything
Completely
Thats the way its gotta be
The way I want someone to fall in love with me
The way I need someone to fall in love with me
