

# I Touch Myself

## Jack Off Jill

I love myself I want you to love me  
When I feel down I want you above me  
I search myself I want you to find me  
I forget myself I want you to remind me I don't want anybody else  
When I think about you I touch myself  
I don't want anybody else  
I touch myself You close your eyes and see me before you  
Think you would die if I were to ignore you  
A fool could see just how much you adore me  
Get down on your knees and do anything for me I don't want anybody else  
When I think about you I touch myself  
I don't want anybody else I'm the one who makes you come running  
You touch your colen all the time  
When you're around your always waiting  
I want to make you mine I love myself I want you to love me  
When I feel down I want you above me  
I search myself I want you to find me  
I forget myself I want you to remind me I don't want anybody else  
When I think about you I touch myself  
I don't want anybody else I don't want anybody else  
When I think about you I touch myself  
I don't want anybody else I don't want anybody else  
When I think about you I touch myself.....
