The World Is Round

Rufus Thomas

The world is round
But it's crooked just the same, yeah, yeah
I know the world is round
But it's crooked just the same, yeah, yeahAnd you'll never, never know
Just what man there is to blame, yeah, yeahWait a minute
I want to tell you something'Cause there's the teacher
The preacher, gamblin' man
Dark side will make it
On a easy planLawyer, doctor
Even town breaker
I'm tryin' to keep up
With the undertakerChauffeur's runnin' around
With them still knockin' for girls
Drummer in the band
Been this way to the worldWe just end up pooping
Jumpin' up and down
Sisters in the corner
I'm Alabama boundThe world is round, round, round, round
But it's crooked just the same, yeah, yeah
And you never, never know
Just what man there is to blame, no, noI know, you know, they know
That the world is round
I know you know, everybody know
That the world is round
The world is round, oh, yeah
The world is round
