

If You Really Love Me

Stevie Wonder

And if you really love me, won't you tell me? Yeah
(And if you really love me, won't you tell me?)
And if you really love me, won't you tell me? Yeah
Then I won't have to be playing around You call my name, oh so sweet
To make your kiss incomplete
When your mood is clear
You quickly change your ways
Then you say I'm untrue
What am I supposed to do
Be a fool who sits alone waiting for you But if you really love me won't you tell me? Yeah
(But if you really love me won't you tell me?)
And if you really love me won't you tell me? Yeah
Then I won't have to be playing around I see the light of your smile
Calling me all the while
You are saying baby
"It's time to go"
First the feeling's alright
Then it's gone from sight
So I'm taking out this time to say Oh, if you really love me, won't you tell me? Yeah
(Oh, if you really love me, won't you tell me?)
And if you really love me, won't you tell me? Baby tell me
Then I won't have to be playing around, no
Playing around no Hey yeah
Goofin' around no
Oh baby
Playing around no
Let me know how you feel, baby
Hey oh baby
Playing around no
