

# It's O.K.

## Delirious?

Take me or leave me, don't have to believe me  
All the words I have to say, all the songs that fly away  
Take me or leave me, believe me good will comeIt's OK, you know I'll live to fight another day  
It's OK, you know I'll live to find another wayShe's as pretty as hell and her eyes have no home

The beauty has run from your face  
Such beauty that hung from your face  
And if you would drink this wine you'll shineIt's OK, you know I'll live to fight another day  
It's OK, you know I'll live to find the words to say  
It's OK, you know I'll live to find another way  
And if you would give me holy wine, I'll shine
