

# Alone

## Dinosaur Jr.

How can you tell me?  
I still believe in sometime  
You don't have to make a show or a beginning  
Just have to move yourself today Alone, alone, alone, alone What's there to tell me  
I still should need you sometime  
I'll got over it, and over it I'm bare foot  
Can't believe [Incomprehensible] Alone, alone, alone, alone Now, won't you tell me?  
I still believe in sometime  
I've tried it, oh, so many ways just to get to you  
And it could never [Incomprehensible] Alone, alone, alone, alone Why won't you tell me?  
Now, enough time is gone by  
Re-tell the story  
Guess, I can't take it this time Alone, alone, alone, alone
