

Alive And Kickin'

Mr. Big

Whoo, whoo, whoo Black top blazin', home town fadin'
Out of sight in the rear view mirror
Stevie Ray blastin' on the radio
As I slam it into higher gear My baby's by my side, tears in her eyes
Writin' a goodbye letter
Sayin' Johnny and me are runnin' wild and runnin' free
Just like you did, Momma Don't know where we're goin'
(Don't know where we're goin')
Yeah, when we get there we'll know
We're gonna follow the code of the road Jump into the fire
Keep our love alive and kickin'
Down the door, it's what we're livin' for
Rockin' side by side
Keep your love alive and kickin' We got everything we own in the trunk and on the roof
She's got babysitting money in her pocket
We're drivin' fast, ain't no looking back
We're flyin' through the desert like a rocket White line windin' up Interstate Five
The road goes on forever
And it doesn't matter where it's gonna take us
As long as we're together We're takin' our chances
(We're takin' our chances)
Gonna do it our way
Pedal to the metal shooting down the highway
Yeah, down the highway Jump into the fire
Keep our love alive and kickin'
Down the door, it's what we're livin' for
Rockin' side by side
Keep your love alive and kickin' Jump into the fire
Keep our love alive and kickin'
Down the walls, when freedom calls
Rockin' side by side
Keep your love alive and kickin'
Alive and kickin' Whoo
Yeah, yeah
Hmmm
Kick it up boys
Alive and kickin'
We know our love's alive and kickin'
Move over baby, it's our turn now

Hmmm, get little closer
Uh, huh, you're rockin' now, huh
Yeah, yeah, yeah, yeah, yeahJump into the fire
Keep our love alive and kickin'
Down the door, it's what we're livin' for
Rockin' side by side
Keep your love alive and kickin'Jump into the fire
Keep our love alive and kickin'
Down the walls, when freedom calls
Rockin' side by side
Keep your love alive and kickin'
AliveJump into the fire
Keep our love alive and kickin'
Rockin' side by side
Keep your love alive and kickin'
