Fool for Your Love

Triumph

Hey mama, say what you wanna
Tell me, it's all up to you
I know you've been runnin' all over town, honey
But what should I do?Love can run hot
Love can turn cold
Break your heart in two
Or so I've been toldAnd I know, oh baby
I want you to hear what I sayI'm just a fool for your love
I'm a fool for your love, babe
Yes, I'm a fool for your love
AlrightYes, I am mama
A fool for your loveYour live is vicious, slightly malicious
Coiled like a snake in your heart
Man is a hard one, cold as a handgun
Like I was at the startBut I keep lettin' love
Get the better of me
My head is spinnin', honey
Can't you see what I needOh baby
I want you to hear what I sayI'm just a fool for your love
I am a fool for your love, baby
Well, I am a fool for your loveYes I am, mama I am
A fool for your loveYes I am Lord, oh baby
I want you to hear what I sayI'm just a fool for your love
I'm just a fool for your love
I'm just a fool for your love
