

# Eighteen

## Harlem Shakes

[Bow Wow]

Oh, oh

Uh huh, uh huh, oh

Let's take a pause for a minute

Let's go (I)

Check it out man

See man, Bow Weezy right here live and direct (OH I)

I'm talking to y'all young n's out there baby

Can't wait until I turn eighteen

I know it's the same for y'all man, I know, I know (I)

I'm talking bout pulling up in them big cars on them 22's

No forget that, I'm talking 'bout Charlie Woodson's man

I'm a pull up, I'm talking bout 24's

It's a wrap for y'all when I turn eighteen man

listen to the hook

[Chorus]

When I turn eighteen

I need to ride on some rims that's clean

And them brand new J's when I hit the scene

When I turn eighteen

I need a girlfriend older than me

And she gonna have to be a dime if she rollin with me

When I turn eighteen

I pull up and stop, let my system knock

They all know I'm super cool when I drop the top

When I turn eighteen

I get my crib up on my first day

And every week we celebrate like it's my birthday

When I turn eighteen

Yeah

[Bow Wow]

I'm a be leaning and dipping, sitting on inches riding

Getting at women they loving my every sentence

It's Weezy baby, from the truck, to the drop, to the Coupe to the high 2's

See that y'all, you gotta believe me baby

The game tight and the bank right

Since fame came and the bright lights

You gotta release me baby, I can't be tied up  
Can't be handcuffed to no chick at the party when I ride up  
Cause I gotta mingle, I know I'm great with the lingo  
but check it I gotta motivate, I just gotta be single  
And yeah like when I see you, yeah like how you jingle  
And yeah said I'm a ring you but baby I can't bring you  
Can't wait 'til the day comes  
When I wake up and I'm eighteen  
Not a young pup but a big dog  
And I bark loud and I switch cars  
It sounds hard but it's not y'all  
When I get there that's it y'all  
Ninth day of the third month, it's on

[Chorus]

[Bow Wow]  
I'm up in that H2 with them wheels to match  
Got them big dog speakers bumping up in the back  
Got that Snoop Dogg CD is what I insert  
Roll down my windows, sounds like a concert  
And on a beautiful day, I might just switch to the Rover  
"So Fresh So Clean" like Outkast, a PD can't pull me over  
I'm "Big Pimpin" like Jay-Z, steady "Stunning" like Baby  
"I Need A Girl" like Free, mixed with some Halle Berry  
And a little hood which is good like Trina to be my lady  
Just call me Cassius Clay, baby cause I'm the greatest  
And can't nobody my age can ever ever fade this  
I'm unfadeable, I'm untouchable  
I'm on a mission now, I'm in transition now  
B-O-double-double-O-double, y'all  
It's Bow Wow, I'm in the house now and I'm up outta the pound  
Now listen to the hook, this how it's going down

[Chorus]

[Bow Wow]  
YEAH! (\*laughing\*)  
You know what I'm saying?  
I'm speaking for all the young ones my age  
You know what I mean?  
Being told you can't do this  
You can't get in here and you want to do it  
This the song right here  
This the anthem for us right here, cause I'm one of them

Always told no, you can't get in  
But you know what  
That's fitting to change man  
Ha, when I

[Chorus: x2]
