

Hip Hop Song

CoCo and the Butterfields

Hut Hut Ooh ooh ooh ohhh oooh oooh oooh CoCo and the Butterfields*beep beep* (ooh that was good) Anchor
Baby Ha Ha Haa If it's Hip Hop, then don't stop, it's gonna get too much
If it's Hip Hop, then don't stop, it's gonna get too much Too much
Hut, Hut, Hut, Hut, Hut, Hut, Hi Ho
Hut, Hut, Hut, Hut, Hut, Hut, Let's go If this is Hip Hop then I'll eat my cat
I'll eat my sister and I'll eat my hat
You know the one with the dangle down tassel
With the big bobble on it, then we're bound to dazzle
We're a folk band, doing R'n'B, everybody just look at me
Bound to make, bound to make history, ra-ra-rara ra-ra ree
BOOM, of the big bass drum, and the ting ting, we're having fun
Doing jazz, rock, reggae and rap, and Anchor Baby is where it's all at If it's Hip Hop, then don't stop, it's gonna
get too much
If it's Hip Hop, then don't stop, it's gonna get too much Too much Hut, Hut, Hut, Hut, Hut, Hut, Hi Ho
Hut, Hut, Hut, Hut, Hut, Hut, Let's go! (So Tom, what have you say to that? Ha Ha. That was nice ad-libbing!)
They call me CoCo the rascal, coming from this household
I don't mean to be rude, I just mean to cause you hassle
I'm a rude boy from Canterbury town
And this is how I, this is how I, this is how I get down
I like to rap about things that are topical
Like how the earth is melting and it's all turning tropical
Or how cool it is to say the word 'random'
How random... How random! If it's Hip Hop, then don't stop, it's gonna get too much
If it's Hip Hop, then don't stop, it's gonna get too much
Too much,
Hut, Hut, Hut, Hut, Hut, Hut, Hi Ho
Hut, Hut, Hut, Hut, Hut, Hut, Let's go! (Double Bass)
(Mmmhmmmm)
(Oh)
(Nice)
(Euphex)
(Sing it, Showan!)
(Too much oh woah yeah)
(Hip Hop Don't stop oh yeah)
(Hip Hop Don't stop oh yeah)
(Oh woah yeaaaah!) It's CoCo here, I've come yes I'm back
By special request to bring you this track
I will entertain and I won't stop at that
And I will put on weight and I'll probably get fat (Shame!)

I'm not saying that I'm getting at
This problem I have and that's for one fact
I lack the ability, I just can't get the knack
Of becoming a RUDE BOY and that is that

This little lad, that lad is I
Will weave into his tune what happened one night

But the night went even to one day
It went to a week and then overtook May

June, July, then August too

Big up Gary on his portaloo! If it's Hip Hop, then don't stop, it's gonna get too much

If it's Hip Hop, then don't stop, it's gonna get too much

If it's Hip Hop, then don't stop, it's gonna get too much

If it's Hip Hop, then don't stop, it's gonna get too much

If it's Hip Hop, then don't stop, it's gonna get too much

If it's Hip Hop, then don't stop, it's gonna get too much

If it's Hip Hop, then don't stop, it's gonna get too much

If it's Hip Hop, then don't stop, it's gonna get too much

If it's Hip Hop, then don't stop, it's gonna get too much

If it's Hip Hop, then don't stop, it's gonna get too much Too much Hut, Hut, Hut, Hut, Hut, Hut, Hi Ho!
