

If We Make It Through December

Merle Haggard

If we make it through December
Every thing's gonna be all right, I know
It's the coldest time of winter
And I shiver when I see the falling snow
If we make it through December
Got plans to be in a warmer town, come summer time
Maybe even California
If we make it through December, we'll be fine
Got laid off down at the factory
And their timing's not the greatest in the world
Heaven knows I've been working hard
Wanted Christmas to be right for my sweet girl
I don't mean to hate December
It's meant to be the happy time of year
And my little girl won't understand
Why mamma can't afford no Christmas here
break.....So if we make it through December
Every thing's gonna be all right, I know
It's the coldest time of winter
And I shiver when I see the falling snow
I don't mean to hate December
It's meant to be a happy time of year
and my little girl won't understand
Why mamma can't afford no Christmas cheer.
If we make it through December.
