

Wayak (ft. Dudu Tassa)

Borgore

Wayak! Wayak! El donia helwa wayak
With you! With you! the world is beautiful with you!
Fy safak we gafak, ana rady ya habiby beredak
Whether you were serene or brusque, I will be satisfied if you are
Te'atebny, tekaydny, matrah matrouh wayak!
Even if you blame me or saddle me, where ever you go
I will go with you
