

# Who Wants To Live Forever (Komakino Rmx Cut)

## Dune

There's no time for us  
There's no place for us  
What is this thing that builds our dreams, yet slips away from us  
Who wants to live forever . . .?  
Oh ooo oh  
There's no chance for us  
It's all decided for us  
This world has only one sweet moment set aside for us  
Who wants to live forever  
Who wants to live forever  
Ooh  
Who dares to love forever  
Oh oo woh, when love must die  
But touch my tears with your lips  
Touch my world with your fingertips  
And we can have forever  
And we can love forever  
Forever is our today
