

Hymn (Single Version)

Ultravox

Give us this day all that you showed me
The power and the glory till my kingdom comes
Give us this day all that you showed me
The power and the glory till my kingdom comes
Give me all the storybook told me
The faith and the glory till my kingdom comes
And they said that in our time all that's good will fall from grace
Even saints would turn their face in our time
And they told us that in our days different words said in different ways
Have other meanings from he who says in our time
Give us this day all that you showed me
The power and the glory till my kingdom comes
Give me all the storybook told me
The faith and the glory till my kingdom comes
And they said that in our time we would reap from their legacy
We would learn from what they had seen in our time
And they told us that in our days we would know what was high on high
We would follow and not defy it, in our time
Give us this day all that you showed me
The faith and the glory till my kingdom comes
Faithless in faith we must behold the things we see
Give us this day all that you showed me
The faith and the glory till my kingdom comes
Give us this day all that you showed me
The power and the glory till my kingdom comes
Give me all the storybook told me
The faith and the glory till my kingdom comes
Give us this day all that you showed me
The power and the glory till my kingdom comes
