

Women Be Wise

Wynonna Judd

Women be wise,
keep your mouth shut,
don't advertise
your man
Don't sit
around gossiping,
explaining
what your good man
really can do
Some women nowadays,
Lord they ain't no good
They will laugh
in your face,
Then try to steal
your man from you
Women be wise,
keep your mouth shut,
don't advertise your man
Your best girlfriend,
she might be a highbrow,
she changes clothes
3 times a day
What do you think
she's doing now,
while you're so far away
She's loving your man
in your own damn bed
You better call
for the doctor,
mama,
try to investigate
your head
Women be wise,
keep your mouth shut,
don't advertise your man
Women be wise,
keep your mouth shut,
don't advertise your man
Don't sit around,
girl,
telling all your secrets,

Telling all those good things
he really can do
If you talk about your baby,
you tell me he's so fine
Lord honey,
I just might sneak up
and try to make him mine
Women be wise,
keep your mouth shut,
don't advertise your man Don't be no fool,
don't advertise your man
(baby don't do it)
