

Hollow Life

Frankie Rose and The Outs

Beating the fall I can't help but desire of
Falling down this time
Deep in this hole of my making I can't escape
Falling all this time We come to this place
Falling through time
Living a hollow life
Always we're taking
Waiting for signs
Hollow lives Fearing to fall and still the ground below me calls
Falling down this time
Ripping apart all these things I have tried to stop
Falling all this time We come to this place
Falling through time
Living a hollow life
Always we're taking
Waiting for signs
Hollow lives Is there ever any wonder
Why we look to the sky
Search in vain
Asking why?
All alone, where is God?
Looking down, we don't know We fall in space
We can't look down
Death may come
Peace I have found
What to say?
Am I alive, am I asleep?
Or have I died?
We fall in space
We can't look down
Death may come
Peace I have found
I want to say my whole life
Am I asleep?
We fall down We come to this place
Falling through time
Living a hollow life
Always we're taking
Waiting for signs

Hollow lives Is there ever any wonder
Why we look to the sky
Search in vain
Asking why?
All alone where is God?
Looking down we dont know
Is there ever any wonder
Why we look to the sky
Search in vain
Asking why?
All alone where is God?
Looking down we dont know We fall in space
We can't look down
Death may come
Peace I have found
