

# Bet She's Not Your Girlfriend

## Pet Shop Boys

Whisper, whisper, whisper, whisper  
Whisper 'round the town 'cause you're my friend and that's the end  
For you're the only one in town who they will beg to hang around with  
You're so beautiful and calm but with an attitude that says  
"Hands-off, you're just not good enough" Every boy and man feeling lonely  
Can't understand why you'd be with me?  
Furthermore, we laugh and we draw  
More attention everyday, so they say "Bet she's not your girlfriend, oh no  
You better make her happy  
Bet she's not your girlfriend, oh no  
You gonna make her happy" Well, that's as may be, in a way, but it's okay  
We laugh "touche", while they stare in front of us  
They draw away, as if to say  
"Who are these people anyway?  
How dare they confront us?" Every boy and man feeling lonely  
Can't understand why you'd be with me?  
Furthermore, we laugh and we draw  
More attention everyday, so they say "Bet she's not your girlfriend, oh no  
You better make her happy  
Bet she's not your girlfriend, oh no  
You gotta make her happy" Oh no no no  
Oh no no no Girlfriend  
Oh oh Girlfriend  
Oh oh Girlfriend  
Oh oh Girlfriend I'd rather die than satisfy their curiosity  
I'm kind of shy and dry and verging on ugly  
They wonder what that I have got that they have not  
They'll never understand that none of that matters Every boy and man feeling lonely  
Can't understand why you'd be with me  
Furthermore, we laugh and we draw  
More attention everyday, so they say "Bet she's not your girlfriend, oh no  
You better make her happy  
Bet she's not your girlfriend, oh no  
You gotta make her happy" Bet she's not your, bet she's not your, bet she's not your  
Bet she's not your, bet she's not your girlfriend, oh no  
Bet she's not your girlfriend  
You gonna make her happy  
Bet she's not your girlfriend  
You gotta make her happy
