

# Abandoned Driveways

## Hawthorne Heights

Breathe me in, I am your nicotine  
I'll fill your lungs until you cannot breathe  
Swallow me down, I am your alcohol  
I'll fill your gut with all the pain and lossWhen you pass out  
So you can sleep it offBloodshot eyes don't tell the truth  
Abandoned drives lead to abuse  
But I won't let you get away so soonRoll the dice, you'll either win or lose  
Your alibi has got me confused  
But I won't let you get away so soonCrush me up, I am your amphetamines  
I'll keep you up so you cannot dream  
Start with me, I am your gateway drug  
Turn to me when you don't belongListen once  
And you can turn me offBloodshot eyes don't tell the truth  
Abandoned drives lead to abuse  
But I won't let you get away so soonRoll the dice, you'll either win or lose  
Your alibi has got me confused  
But I won't let you get away so soonBreathe me in, breathe me in  
Swallow me down and listen once  
I am your gateway, gateway drug  
I am your gateway, gateway drug  
I am your gateway, gateway drugIf you open your eyes  
I know you'll find yourself in painBloodshot eyes don't tell the truth  
Abandoned drives lead to abuse  
But I won't let you get away so soonRoll the dice, you'll either win or lose  
Your alibi has got me confused  
But I won't let you get away so soon
