

Fly On the Wall (Interlude)

Bobby V

Now let me be your fly, I just wanna be your
I just wanna be your fly on the wall, fly on the wall, fly on the wall,
I wish I could be with you,
fly on the wall, fly on the wall, fly on the wall,
I just wanna be with you 24/7,
fly on the wall, fly on the wall, fly on the wall,
I just wanna be. like this before,
fly on the wall, fly on the wall, fly on the wall,
You know you can make. fly on the wall, fly on the wall, fly on the wall,
I just wanna be your fly on the wall,
fly on the wall, fly on the wall, fly on the wall,
I just wanna feel you, can you feel me too
I just wanna be your fly on the wall,
fly on the wall, fly on the wall, fly on the wall,
I just wanna be fly on the wall,
fly on the wall, fly on the wall, fly on the wall,
Wanna be your fly, fly on the wall, fly on the wall, fly on the wall,
Let me just say, fly on the wall,
fly on the wall, fly on the wall, fly on the wall,
I wanna be your fly, fly on the wall, fly on the wall, fly on the wall, fly on the wall,
I just wanna be, fly on the wall,
fly on the wall, fly on the wall, fly on the wall,
Let me just fly on the wall,
fly on the wall, fly on the wall, fly on the wall,
I just wanna be your fly on the wall,
fly on the wall, fly on the wall, fly on the wall,
I just wanna be fly on the wall,
fly on the wall, fly on the wall, fly on the wall,
I just wanna be your fly on the wall,
fly on the wall, fly on the wall, fly on the wall,
Fly on the wall, fly on the wall,
fly on the wall, fly on the wall, fly on the wall,
I just wanna be fly on the wall,
fly on the wall, fly on the wall, fly on the wall,
I just wanna be your fly on the wall,
fly on the wall, fly on the wall, fly on the wall,
I just wanna be fly on the wall,
fly on the wall, fly on the wall, fly on the wall,
I just wanna be your fly on the wall,

fly on the wall, fly on the wall, fly on the wall.
